Author's ACKNOWLEDGMENT

We would like to send our full apperception to all that have helped generate this book. Our full gratitude for the Internet community for its sustain support. A tremendous apperception and recognition to LiquidationTime.com as a B2B ecommerce web site.

Special credit to the "Publishing house SCSS books worldwide" for its effort to broaden this book universal.

Publisher's ACKNOWLEDGMENT

We are proud of this book to be intensive Guide to all Sellers and Buyers all over the world.

We thank ***Stephen L. Sweet** and **Khaled M. Khaled*** for the great work to introduce this book.

Also we would like to thank our editors, cover designers, layout technician.

And many thanks to the production director *Eng. Ram A. Kader* for the hard work to direct production of this book.

Finally Many thanks to the senior of many Alexandria Universities *Dr. Ahmed Abd El-anbiey* for the good work to review this book.

How to use this book?

This book is the book number 7 from the ecommerce encyclopedia, it introduces the best websites of 500 search engines and directories to let you search for the products, manufacturers and dealers and other services easily and fast. These sites collected carefully in about 2 years to make sure every site is working and has the information you really need.

This book consists of 2 parts:

Part I: Is an ***Index*** for the most words and key words you can search with, indexed alphabetically by the author ***Khaled M. Khaled***

This index made by word, subject or sentence and the numbers beside them, these numbers are numbers of sites and not pages.

Example: if you looking for *books*: go to letter *B*, then look for *books*, you will find it as:

- Books **9,27,85, 341,433,439**

These numbers are the numbers of sites in **Part II**

Part II: Contains 500 web sites for the best search engines and directories, numbered from 1 to 500

So if we went back to the example, you have to go to site number 9 and site number 27, 85, 341, 433 and 439 and check them out to look for what you need.

INDEX

- 2500 online newspapers **325**
